## KEY HIGHLIGHTS

---

As a Master's graduate with a strong theoretical foundation, I possess exceptional adaptability in learning and a natural ability to communicate effectively with others. Whether working independently or within a team, my skills allow me to excel in a variety of settings.

## EDUCATION

---

**Master's in Applied Physics, NIT - Nagpur 2021.**

**Bachelor of Science, BLDE College Jamakhandi, Rani Chennamma University, Belagavi 2017 – 2020. Graduated with Distinction.**

## SKILLS

---

**Programming languages:** C, and Matlab

**Software & Tools** : Mathematica, Desmos & 4nec2 Origin

**Soft Skills** : Leadership, Writing, Time Management, Critical thinking.

## PROJECTS

---

### **Project Student:**

### **DEVELOPMENT OF SELF-CLEANING CEMENT USING $TiO_2$ NANOMATERIALS VNIT NAGPUR.**

- This is my MSc project, under Dr. R.S Gedam. from the department of Physics, VNIT, Nagpur.
- I have prepared the cement bricks with doped  $TiO_2$  nanoparticles and I have studied its different characteristics.

## **WORKSHOPS & CONFERENCES**

---

- National Seminar on Advanced Functional Material **VNIT, NAGPUR (India)**.
- Quantum information and Quantum technology **IISER, Kolkata.(India)**

## **WORK EXPERIENCE**

---

- Currently working in **TUNGAL DEGREE COLLEGE JAMAKHNDI** as a **IIT –JAM** Faculty Since 6 months.
- Chegg expert in **advance PHYSICS** subject since 3 years.
- I was handled **KCET** level Physics syllabus for one batch through online during lockdown time.

## **EXTRA-CURRICULAR ACTIVITIES**

---

- Attended many Seminars, Colloquiums, and Talks on the field of theoretical physics at **VNIT, Nagpur**.
- I was participated in badminton tournament of VIHANG-2023, held at **VNIT, Nagpur**. And won the 2<sup>nd</sup> prize.
