### TUNGAL SCHOOL

An idea of a good school for our children resulted in starting Tungal School in 2003; over fifteen years the school has grown into an institute of repute. Today, Tungal Schools has three beautiful campuses at Jamkhandi, Vijayapur and Bagalkote with over 3500 students and 150 committed faculty.

**We have committed ourselves to impart good basic science education along with values and integrity among the students.**

### TUNGAL SCHOOL OF BASIC & APPLIED SCIENCES

Today we have very few colleges committed to impart quality education in basic sciences. Quality of life and the future of any country depends on its understanding and investment in Basic Sciences.

Sensing the need for quality education in basic sciences, we have started Tungal School of Basic & Applied Sciences in 2016. Our aim is to develop into a Research Oriented Science Institute on par with the Best.
